

MANUAL SHEETER QUEEN 600

- Heavy duty steel stove painted structure (optional INOX)
- Standard colour: grey RAL 9007
- Clean lines and manufacture solidity make this machine the perfect allied for whatever laboratory
- Mounted on rubber castors with brakes to increase the stability, utilize all the motor and generous cylinders power thanks to a strong trapezoidal and chains transmission
- Frontal and back covers made in steel stove painted (no plastic parts) assembled from the top and fixed with screws avoid that the flour enter inside the mechanical parts of the machine and damage them
- Foldable and removable tables
- Double controls (by hand with a very precise balancer and by foot)
- Under tables with collection flour tray made in stainless steel
- Ergonomic handle with tempered fixing tooth that avoid the usury
